

Welcome to Class 1 with Mrs. King

Autumn Term

This term we have a very exciting topic which is all about 'animals'. Throughout the term, we are going to learn about different types of animals and where they live. Please find attached the topic web for this term which gives you an overview of all the subjects we will cover.

About Me.

My name is Mrs. King. I have previously been the teacher in the Nursery but I have come back to where it all started for me, 6 years ago, to teach in year 1 again. I have just arrived back from maternity leave after welcoming my beautiful baby girl, Amelia, into the world. I am excited to help your child achieve their full potential

Snack

Snack now consist of a piece of fruit which is free of cost. Your child will be offered fruit on their way out to morning break. To save on time and costs, juice and biscuits are no longer provided. Your child is encouraged to bring in a **named water bottle**.

The bottle will be your child's responsibility to take home and wash as and when required.

PE

PE will be on a **Monday** and a **Thursday** afternoon. Please ensure that your child has a full kit in school for these lessons and all items are clearly labelled.

Homework.

Homework will be sent home on a **Thursday** and is expected to be handed in on the following **Monday**. Homework will consist of a reading book, spellings and literacy or numeracy. Please do not hesitate to contact me if you have any questions about the work.

Gym Shoes

Gym shoes are no longer needed as part of your child's uniform. Children will wear their usual black school shoes in the classroom as well as outside. However, gym shoes, or something similar, are needed for PE lessons.

Smooth Transition

Coming from an Early Years background myself, I understand the importance of a smooth transition from Reception based learning to Year 1. The curriculum builds upon and extends the experiences that children have had in Reception. Learning through play will continue to be an important part of the school day, and the children will gradually be eased into more formal learning as the year goes on so that they remain motivated, enthused and eager learners.

Finally...

If you have any questions or concerns please do not hesitate to come and speak to me. I am available for a quick question on a morning or if you would prefer a longer chat in private, after school meetings can willingly be arranged.

Thank you for your support in helping me to achieve the best from your child.

Mrs. King
