Dear Parent/Carer

## Gymnastics

Well done to our little gymnasts from Class 2 and 3L. Your behaviour whilst at the festival was amazing and you performed beautifully for lots of other primary and secondary schools.

### Class 3L

## Key Steps Competition

### Key stage 1 Team

Massive congratulations to our Year 1 and 2 children who represented the school at the recent Key Steps Competition and came 3<sup>rd</sup> place! An individual mention must go to Alexa Corkhill who scored 9.00 for her floor routine, gaining the highest mark for floor in this Key Stage section.

### Lower Key Stage Two Team

Well done to our Year 3 and 4 team who worked extremely hard in their after school club with Francesca, perfecting a rather tricky routine. Congratulations to Emily Harrison who gained the highest individual mark within this team.

### Upper Key Stage Two Team

What amazing teamwork our Year 5 and 6 children demonstrated during this competition; they were so supportive of each other! Not only did they have an intricate floor routine but also had to perform a difficult vault routine. Congratulations to Teigan Wilson who gained the highest individual mark within this team.
