Dear Parent/Carer

## Boccia

Well done to our two teams, who competed in the inter-school Boccia festival on Friday 31<sup>st</sup> January. Both teams worked exceptionally hard, demonstrating some excellent co-operation and teamwork skills.

## After School Clubs

Wow, what a busy term we are having for our after-school clubs. The children are thoroughly enjoying the variety of different activities that have been available to them this term.

### Dance

Within the Dance club this term, we are very busy learning routines for us to perform at the upcoming Dance Festival in March. We are working very hard to perfect our routines, trying hard to remember all the steps, to stretch our feet and work together, as a team.

## Yoga

### Pupils' Voice

'We are having so much fun in Yoga. I really like it!'

## Football

Our footballers continue to work extremely hard under the direction of Brian Honour. Our children are developing their fundamental skills, as well as improving their tactics of the game. Keep up the great work!

**GOOD LUCK!**

Due to technical problems at Peterlee Leisure Centre, the pool is currently closed. As soon as we have a re-arranged date, we will let you know!
