

Sport Premium Funding 2015 - 2016

What is Sport Premium?

Sport Premium is an amount of money which the government has agreed to allocate to schools. The funding amount schools receive is based upon the number of children of primary age the school has at January of that year. The sport premium is to be used to increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport. At Blackhall Colliery Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. The 2015 - 2016 Sport Premium funding for Blackhall Colliery Primary School was **£8915** (Paid in two parts: £5203 and £3712).

IMPACT:

The Sport Premium Funding has impacted our school in the following ways:

The delivery of high quality physical education is paramount. We aim that every child in our school receives two lessons of PE teaching every week. With the support of the School Sport Partnership, and their highly trained coaching team, the children receive high quality teaching across the curriculum. Our teachers support and take part in lessons led by SSCO staff and benefit greatly from this in school training. This support is driving up the quality of the PE provision in our school ensuring the teachers are now even more skilled to take PE forward independently. The funding has enabled staff to have the opportunity to attend regular In Service training through the SSCO.

The children need good quality equipment to take part in the lessons fully and equipment has been replaced and added to where necessary.

Attending local Sporting events is vital to promote healthy competition with the children. They take part in intra-school activities and those who are gifted and talented or more able in certain sports then enter the inter-school events. We enter most festivals and competitions organised by the SSCO and have been successful in representing the District in several County Games events

At Blackhall Primary we strongly believe that all children have a right to a high quality education across the curriculum and inclusion for all is very important within PE and sport. A high number of our SEN children have benefitted this year with sporting activities designed specifically for their needs, including Boccia and New

Age Kurling. Children have also been involved in Inclusion Swimming and Athletics festivals and participated in a Multi Sport Inclusion Day. They benefit both physically and socially by attending sporting festivals and competitions, including representing Easington District within the County Games.

We are a Rights Respecting School and aim to promote the right for all children to take part in special events and have access to healthy food. With our healthy initiatives (including FISCH project and Change 4 Life Breakfast Club) and Sports Days we actively promote healthy choices and fairness to all. We aim to embed competition at all levels and hold annual sports days (Foundation Stage, KS1 and KS2) to help achieve this.

Children are encouraged to be actively involved in sporting leadership roles throughout the school and respond to these challenges in a very positive way. We have an active Sports Crew.

Throughout the year we offer a range of PE and sporting After School Clubs for example:

Football, Basketball, Gymnastics, Tennis Multi Skills, Tag Rugby Cricket, New Age Kurling, Boccia and a range of Dance Clubs. These clubs have had a big impact upon improvements in behaviour, levels of attendance and a reduction in lateness.

We are currently aiming to increase the number of children who access at least one sporting club per term.

We continue to develop and maintain links with local sporting clubs including Peterlee Pumas, Hartlepool United Football Club, Sunderland Football Club, Martin Gray Academy, Horden Rugby Club, Dene Gymnastics Club, Blackhall Colliery Cricket Club, Karen Mullander School of Dance and Alison Train Dance.

As a result of our commitment to PE and competitive Sport we have been accredited with the Gold Award from Sainsburys School Games.
