

# Class 3S Autumn Update

*Inspire Enjoy Achieve*

## Welcome to Class 3S – where children will be Flying High!

Firstly, we would just like to welcome all children, parents, and carers to class 3S! We are delighted to be returning to school to work with your children on the next step of their learning journey. We cannot ignore the fact that the children's education has been disrupted for the last two years and we are determined to support them as things return to normal. Character and attitudes are so important and we will be helping them to develop their confidence, self-esteem and resilience. No matter what your child's academic ability, we are here to support and challenge them to move their learning forward and make as much progress as they can.

### Autumn Term...

We are looking forward to the term ahead which will be exciting, fun but hard work too!

Our aim is **to be the best that we can be by** working hard and co-operating as a team to achieve success.

As a whole school, we are beginning a scheme of work called 'Jigsaw' which aims to develop children's abilities to learn and have the skills needed for the 'real' world.

### Focused Topics...

In the first part of the Autumn term, children will be studying:

- ❖ Numbers - place value and addition, subtraction, multiplication and division and properties of shape
- ❖ The Boy Who Grew Dragons by Andy Shepard
- ❖ Animals including humans
- ❖ What was Blackhall like in the past?
- ❖ Being me in my world.

### P.E ...

This term we have been very lucky with PE, both of our sessions will be on a Tuesday afternoon. That means we will have a full afternoon of PE every week.

Children should come to school dressed in their full PE kit which is suitable for an indoor or outdoor lesson, including appropriate footwear.

### Daily Equipment ...

Children only need to bring a named water bottle containing still water. Reading books will be allocated shortly and needed daily for a reading session each day. No balls, fluffy toys or other toys should be brought into school.

We hope that we can count on your continued support. Don't forget to keep checking class email for any updates. If you have any questions, concerns or suggestions, please do not hesitate to contact us and we will do our best to help.
