

Class 3S Summer Update

Inspire Enjoy Achieve

Summer Term – Welcome back to school for the Summer term; we hope you have had a lovely Easter break. I would like to start this letter by saying a massive well done to all the children for their incredible hard work and resilience last term. We are so impressed with how far they have come already. Their dedication to their work is impressive and I hope we can continue this throughout our final term. This term will be filled with laughter, learning and lots of exciting opportunities.

Spring Term...

Welcome back to Class 3S. We are looking forward to the term ahead which will be filled with engaging activities, amazing opportunities and challenging work! Our aim is *to be the best that we can be* by always trying our best, and helping build each other up when faced with challenges.

There are a lot of exciting things to look forward this term. We are hoping to finalise the details for our Bowes Museum trip and will begin our swimming sessions next half term.

P.E ...

Our PE days this half term are Mondays and Wednesdays. Our Topic focuses on different athletic skills and how these can help us with a range of other sports.

On Wednesdays we have an external coach who will be coming into school to support your children with their Tennis skills.

Well Done 3S – Reading at home...

We are moving towards our reading targets and will continue to work on these throughout the summer term. Thank you for your time and effort with reading at home, it is really making a difference. Additionally, I would like to take this time to remind you that books will be coming home on Fridays and are to be brought in daily. When signing your child's book please sign an individual section for each session.
